HEALTH, EDUCATION AND CULTURAL EXCHANGE

Designed to provide a unique insight into Chinese culture, the International Tai Chi Chuan Symposium on Health, Education and Cultural Exchange will bring to Vanderbilt University in Nashville Tennessee the world's foremost authorities on the five traditional Chinese Family Schools of Tai Chi Chuan.

This Symposium offers a unique opportunity to study with five of China's top Masters along with other credentialed professionals through workshops, academic sessions, a Masters showcase, and special events designed to provide information to Tai Chi Chuan practitioners, healthcare professionals, educators and the public about the art of Tai Chi Chuan.
